Four Omaha Companies On The Way To The Top Of Their Industries

More than a series of transactions, the best business relationships are created from the ongoing exchange of ideas, information and advice. At McCarthy Group, Inc. (MGI), we feel fortunate indeed to count among our portfolio partners some of Omaha's most dynamic businesses – noted not only for their financial success, but also for their proven management, brand leadership and innovative approach to business. MGI provides capital and more, our partners provide the ideas and energy that take them to the top.

Adesta is a systems integrator that brings innovative, flexible and cost efficient thinking to the design, construction and maintenance of stand-alone or integrated communication networks and electronic security systems. For nearly two decades, Adesta has offered commercial, industrial and governmental clients an efficient single point of contact for all their project issues. A trusted partner to customers and suppliers throughout the world, Adesta takes great pride in delivering outstanding technology and superior service.

Customer Service Profiles, LLC (CSP) "We are a leader in customer satisfaction research primarily in the financial services industry. One of the most important elements of our customer-based surveys is that CSP ensures objective and unbiased customer satisfaction feedback that is reported at the employee level and is immediately available via web-based reporting. This process enables our clients to use the data to coach and train their employees and incorporate the data into employee incentive programs. The process is proven to improve customer satisfaction scores over time anywhere from 5% to 20%."
– Steve Kutilek, President/CEO, CSP
